

Hosted Microsoft Exchange

High availability
with responsive
support

Local companies selling 3rd party services for Exchange hosting can result in finger pointing when something goes wrong. Major national providers can't put boots on the ground when you need them. Our Exchange Hosting hits the right balance. We own the equipment, we will put technicians in your building, and we don't play blame games.

Iowa Solutions MS Exchange hosting services include:

- ✓ Onsite migration assistance for your users
- ✓ Barracuda inbound and outbound filtering
- ✓ 100% owned/operated, not outsourced
- ✓ Load balanced and redundant systems
- ✓ 24/7 system performance monitoring
- ✓ Full support for mobile devices
- ✓ Hosted in USA data centers 300 miles apart
- ✓ Iowa-based helpdesk for tech support
- ✓ Outlook calendars and scheduling features
- ✓ Excellent performance from any location
